1.1 Layout tests

In this sections, several environments are presented.

1.1.1 Listing tests

Presentation of the main listing environments: enumerations and lists.

1.1.1.1 Enumerations: `enum` environment

Enum environment test:

- a. test 1
- b. test 2

1.1.1.2 Lists: `itemize` environment

Test of the itemize environment

- test 1
- test 2

1.1.2 Equations tests

Layout of the equations:

$$\beta = 8 \tag{1.1}$$

$$\gamma = \alpha \times 3 \tag{1.2}$$

1.2 Second section

Example of a second section, to test the layout in the table of contents.

CHAPTER 2

SECOND CHAPTER

2.1 Table layout tests

Tables have the same constraints than the figures, except for the caption that has to be on top.

Table 2.1 Test of a long table caption, with linebreak.
